No Parking

Parents, we need your help. Please do not park on the grassy area next to the basketball parking lot. Tires are leaving ruts in the grass. This creates an unsafe play area. Parking in this area also makes supervision of students more difficult. Parents are encouraged to carpool for large events. As a reminder, parking is also available in the church lot behind Wilder.

Help Keep Our Children Safe

- Please watch carefully for children as you enter the school's drop-off area and drive very slowly on or near school grounds. Children, especially younger ones, can appear suddenly from between vehicles.
- Take care to drop off and pick up only in the designated areas. Bus lanes must remain clear to ensure student safety. Cars should never stop or park in or near the bus lanes during morning drop off or afternoon dismissal.
- Remind your student about the importance of following the bus driver's directions. Remind your student to stay out of **The Danger Zone**—a 10-foot perimeter around the entire bus. *The driver cannot see students in this zone.*
- If your child drops something near or under a bus, tell them it is important NOT to go get it. *Again, the driver cannot see a student in this area.* The child should tell the driver. The driver will assist the child in a safe manner to retrieve the item.
- Be the eyes and ears for your children and for the children around you. If you see something potentially dangerous, please report it immediately.

Working together, we can help make the traffic areas around our school as safe as possible.

Reminders:

There is no drop off in the staff parking lot!

Kindergarten parking spots are for our Kindergarten parents only!
