

Everyone needs groceries, so why not let a percentage of your grocery bill benefit our school?

With the King Soopers Neighborhoods Reward Gift Card, Wilder Elementary PTO receives 5% of every dollar you spend at King Soopers on groceries and even gasoline!

So, how does it work? You purchase a \$25 reloadable gift card by filling out the form below. Once you receive your gift card from Wilder PTO, you are set with \$25 loaded onto the card. Once your card is empty or near empty, you simply go to the King Soopers customer service desk OR present your card at the register PRIOR to purchasing your groceries. You ask the attendant to reload your card with any value you choose, up to \$500. You MUST reload your card BEFORE your items are scanned. The balance remaining on your card is printed at the bottom of your grocery receipt.

Every four weeks, King Soopers runs a report of all sales associated with our Wilder gift cards and mails us a check equaling 5% of our grocery purchases. These funds will go toward Wilder Staffing.

It could not be much easier! Please support our school by joining this program, if your grocery shopping takes you to King Soopers. You can even obtain cards for neighbors and relatives.
